These portfolios have been deleted from the Netco database.  
Thanks  
Lamya

Can you please write a script to delete these records.  
Thanks  
Sundar

Subject: Chicago Books

Bill,

Can we delete the Chicago books from Global Counterparties. We will not be using these books at all. Let me know if this would be possible. The GCP id's are 166896, 167105, and 166898. Thanks.

John
