Subject: SIGMA FACTOR NEEDED FOR NEW PRODUCT - BANDWIDTH 0C-12c

Hi Matt-

**SIGMA FACTOR REQUEST:**

Commercial has requested that the following new product for Bandwidth be set-up for trade in EOL. Please note that it has the same set-up format as the existing active EOL Bandwidth products.

Commodity: OC-12c

Currency: USD

Default UOM: DSO Miles

Country: USA

Description:

A US Bandwidth Transaction with Enron Broadband Services, L.P. ("EBS") pursuant to which the Seller shall sell and the Buyer shall buy the quantity of Bandwidth Units submitted by Counterparty via the Website. The number of

DSO's per OC-12c is 8,064. The price shall be as submitted by the Counterparty via the Website. Any party entering into a Transaction to buy or sell Bandwidth Units from or to EBS shall be responsible for connecting to the Demarcation Point located at each Market Pooling Point in order to take physical delivery of such Bandwidth. In order to achieve such connectivity, a party may incur costs and expenses and may additionally be required to execute certain documentation.

**ATTENTION: CYNTHIA HARKNESS**

Please note that a "revised GTC" (add "annex A" for OC-12C) is requested from

Legal so that this product may be set up in EOL. THANKS!

**ATTENTION: ALL OTHER PARTIES TO THIS DISTRIBUTION**

Please note that this e-mail is your advance notice of a "new product" being set-up in EOL. Thanks!
