Stephanie, you may want to clarify all of the facts as well. That a local phone number was disconnected is irrelevant because keegan called my cell phone number and spoke with my fiance. He and Keegan then called my house in New York and notified my family that Keegan wanted to reach me. They conveyed that message to me immediately as I walked though the door. I then immediately called Keegan the minute I walked into my house in New York. As I mentioned to Sara, if you need to reach me

You may want to clarify this with Keegan as 1) your voice mail was full on  
that Friday, 2) Keegan tried to contact you in New York and the number she  
had for you was disconnected, and 3) we tried to locate the documents that  
Friday and were not able to.

Sara,

Moreover, Keegan represented to me that you requested that she locate for you  
the Securities Loan Agreement for you while I was out and that she went into  
my office and retrieved that document from my Enron Credit Inc. file and gave  
it to you. So, I am not sure of the source of confusion about not being able  
to find my file but for future reference, the best thing to do is to ask  
Keegan how to contact me immediately and directly - when out the office she  
always knows how to reach me.

Sara:

I will forward the documents to you.

For future reference, if anyone is looking for a file for an urgent matter  
while I am out, she should convey that fact to me by either (1) leaving a  
voice mail - as I checked my voicemails on Friday (that is how I was able to  
speak with Tom from New York on Friday) or (2) advise Keegan and she will  
contact me immediately by cell phone as she did regarding other matters on  
Friday.

Cheryl:

I spoke with Clem and he is preparing the amendment for immediate execution as the signers will be at an offsite tomorrow. I'll let Tom know as soon as the amendment has been executed. Anna Meytina is on vacation so I left a message with Sharon Chernick.

In order to complete our files with respect to the Enron North America Inc. ("ENA") Securities Loan Agreement, please provide me with copies of the following documents:

- (1) assignment of the Securities Loan Agreement from ENA to ECI (or was a separate agreement with ECI executed?)
- (2) termination of the prior Enron Corp. guaranty on behalf of ENA in the amount of USD25 Million

I spoke with Stephanie and she could not locate your Bear/ECI files on Friday of last week.

Thanks.
