Stan only mentioned Rod and myself. You might ask him before I ask anyone else.

Thanks

Absolutely! I'll take care of it and keep you posted. Do you know who else will be going on this trip with you and Stan? Rod? Tod?

Do you want to coordinate with Lisa?

Tracy-

Sorry - this email got lost.

Please coordinate through Colin or Keith. Your best bet is Lisa Hobbs, Colin's most excellent assistant.

Good morning, Tracy!

Stan wants us to look at the week of May 6, 2002, to travel to Europe and meet with Colin's team(s) and Adam's team(s). See if we can hit all the necessary sites within that one week time span.

I'll await to hear back from you.

Thanks!
